

## Statement Of Support For Maintaining Global Framework Of U.S. Open Skies Agreements

---

The U.S. Airlines for Open Skies Coalition issued the following statement after the announcement of an Understanding resulting from the latest U.S.-Qatar Strategic Dialogue:

*"In reaching this Understanding, we appreciate the Administration's strong support for maintaining the global framework of U.S. Open Skies Agreements, which will continue American aviation leadership and economic growth."*

*U.S. Airlines for Open Skies (USAOS) is a coalition of four U.S. passenger and cargo carriers – Atlas Air Worldwide, FedEx, Hawaiian Airlines, and JetBlue Airways – in support of the United States' Open Skies agreements, which promote U.S. jobs and economic growth.*
